

Spartan East Side Promise

About the Program

Within San Jose State University's Student Outreach and Recruitment (SOAR) department, the Spartan East Side Promise Program is designed to support East Side Union High School District students and their families.

Established in 2016, the Spartan East Side Promise (SESP) began as a collaboration between San José State University and East Side Union High School District (ESUHSD) with the goal of offering guaranteed admission to qualified students who graduate from a qualifying school. Through a variety of interactive programming, the SESP provides a pathway to admission at SJSU by clearly specifying the admission requirements and sharing information about resources for academic success with students and families in the district.

In 2019, the Promise began to expand into a program within SOAR that focuses on helping incoming ESUHSD students transition to SJSU, build connections, and navigate the University.

Our Vision is to collaborate with the campus community on interactive, intentional programming to foster academic, personal, and professional development, and a college going mindset, in ESUHSD students.

To do this, we have three objectives:

1. Help students become part of larger campus community
2. Serve as a support system for ESUHSD students & their families
3. Decrease percentage of academic probation and disqualification in cohort

The Admissions Process

A detailed outline of the admission requirements and deadlines can be found at sjsu.edu/admissions/freshman

To qualify for admission to SJSU, students must:

- Apply to SJSU at calstate.edu/apply/freshman between October 1 - December 4 of Senior Year
- Complete the required high school A-G courses with grades of "C-" or better by their high school graduation date
- Meet or exceed the CSU Minimum Eligibility Index
Note: Applicants below the 2.5 GPA minimum requirement will not be considered for admission at SJSU
- Qualified ESUHSD students with a 2.75 GPA or higher are guaranteed admission to Undeclared if they do not meet the impactation criteria for their applied major
Note: Students must still complete A-G requirements with a C- or better and meet all deadlines

Optional SESP Programming

Our programming aims to prepare students and their families for the college academic expectations, and connect students to campus resources prior to the start of their Freshman year. Parents, guardians, or a supportive adult are encouraged to participate in the process along with their student by attending events and workshops provided by the SESP. For more information on dates and locations of programming, please visit our website.

Transition

ESUHSD Spartan Summer Program

After students have been admitted and complete the intent to enroll process, they are eligible to register for our optional ESUHSD Spartan Summer Program. This program resembles a pre-orientation, providing tools to assist with the transition from high school to the University.

Flipgrid

Connect with our community! Starting during the ESUHSD Spartan Summer Program, students have the opportunity to get to know other incoming ESUHSD students, and the SESP staff, by providing a video or audio response to weekly posted topics ranging from getting involved on campus, campus resources, to personal interests. Currently enrolled SJSU students can get share and connect at flipgrid.com/sesp

Growth Pledge

All ESUHSD students enrolled at SJSU have the opportunity to take the SESP Growth Pledge. The Growth Pledge is designed to be a commitment from both the student and the Spartan East Side Promise Program staff to advocate, engage and work towards the student's academic success. This pledge includes opportunities to meet once a month to discuss your 4-5 year academic plan, and develop an action plan to work towards students's personal and professional goals.

SESP Peer Mentors

Every incoming ESUHSD student is assigned a Peer Mentor that communicates with their cohorts twice a month via email, and check-in calls at least twice a semester. Peer Mentors are available to meet with students as needed by appointment or virtual drop-in hours.

Community Partnerships

The community of support for ESUHSD students continues to grow. Below is a list of partnerships within the community, dedicated to breaking down barriers and encouraging the academic success of ESUHSD graduates.
